The Story of Turkish Apparel

Asia Minor, the cradle of civilization, is now becoming the dazzling global hub of fashion. With ultimate quality raw materials, a young and dynamic team of designers and thousands of producers, Türkiye is steadily moving towards the top of the pret-a-porter league, exporting to nearly 200 countries all over the world.

Blending edgy design with solid knowhow, production flexibility and the best price per value, the new age of fashion industry is in full bloom where East meets West, and the old.

Turkish Apparel Facts
