ISTANBUL APPAREL EXPORTERS' ASSOCIATION

Istanbul Apparel Exporters' Association is one of the most important industrial organizations of Turkish Apparel Industry, which is among the major manufacturing industries in Turkey, with its 7000 member exporters and a rate of 75% in Turkey's total apparel export. Industrial organizations of Turkish Apparel Industry which is among the major manufacturing industries in Turkey.

Istanbul has an important share in apparel trade and Istanbul Apparel Exporters' Association has a vital role in this industry.

Istanbul Apparel Exporters' Association, founded in 1986, is one of the four exporters associations under the General Secretariat of Istanbul Textile and Apparel Exporters' Associations (İTKİB).

Istanbul Apparel Exporters' Association has more than 7.000 member companies mostly located around Istanbul. The Association represents apparel industry extensively since the member companies of the Association realize %75 of Turkey's total apparel exports which is around 17 billion $ annually.

Istanbul Apparel Exporters' Association's main goal is to enhance the export capability of Turkey in apparels and promote the industry around the world. Besides, Istanbul Apparel Exporters' Association also supports its members in all kinds of trade related activities.

In addition to these, Istanbul Apparel Exporters' Association aims to promote common interests of the industry in both national and international platforms as well as in governmental levels.
